Walk on Wednesdays

At St. Crispin's we participate in the **Walk on Wednesday** walk to school scheme which aims to encourage families to walk to and from school. Using a scooter or bike counts too. Every Wednesday we count all the children who walk to school and we hope to achieve our target of 80% one day soon. There will be extra playtime for the children, the first week we achieve our target! Families who live a long way away from the school can 'park and stride' – park half a mile from the school and walk from there. Please walk to school on Wednesdays if you can!

Volunteer needed - Maths Games Library

Is there anyone out there who is willing to volunteer to run a maths game lending library for our Year R children? This would involve being in school twice a fortnight. One session after school to lend out the games and one morning to take in the games and check that no pieces have been mislaid. We have a lovely selection of games to lend to children – please leave your name with the office if you are able to help.

With thanks, as ever, for your support for our school
